Getting into the 'Spirit'

"SPIRIT WEEK" at Clarenceville High School helped revive school spirit and aided in raising funds for a foster child. Left photo: Kathy Bartlett and Garry Garrison wore costumes to school for hill billy dress-up day. Right photo: Mr. and Mrs. James Garrison sell a ticket to son Gary for votin' for "king" of the week. (Observer photo)

Pre-school clinic set by C'ville

Insurance FACTS
by Robert H. Bergstrom, CPCU

Every insurance company has a staff of actuaries, whose job it is to determine future probabilities, and the ways one can best protect oneself against financial consequences and risk. An actuary must make an educated guess about the future economic and operating factors of the company. It is from this educated guess that premium rates are set and insurance packages are designed.

BERGSTROM INSURANCE AGENCY, 29700 Orchard Lake Rd., Farmington Hills, 48240, will design an insurance package to meet your particular needs and financial budget. We arrange for one monthly payment on all your policies. As independent agents, we represent several leading companies and can get you the most for your insurance dollar. A phone call will bring one of our agents to your home or business to analyze your insurance needs. Open: Mon-Fri, 9-5; other times by appointment.

INSURANCE FACT: Group insurance covers two fields, life insurance and health insurance.

Clarenceville School District is sponsoring a pre-school clinic for parents who wish to consult with the school's psychologist, social worker, speech therapist and public health nurse.

Parents will meet March 4 from 1 to 3:30 p.m. in Bolsoford Elementary School. They will speak with the public health nurse, who does health counseling on any health problem, such as epilepsy, diabetes, diet or chronic health problem.

The nurse acts as a consultant to school personnel in health related problems. She also will make home visits if necessary acting as a liaison person between home and school.

The next pre-school clinic will be on Monday, March 4. Services of the clinic are

available for all pre-schoolers from Bolsoford, Edgewood, Grandview and Westbrook schools. Questions with regard to the program will be answered by Mrs. Betty Pillar, director of special services, at the Board of Education office.

Citrus sale canceled

The Texas orange and grapefruit sale being sponsored by the Clarenceville High School band has been canceled. Reason for cancellation, according to Band Director John Nezek, is the recent frost and freezing temperatures which seriously curtailed the growing of oranges.
