VOLKSWAGEN INTRODUCES THE PERFECT CAR FOR ITS TIME.

The new Volkswagen Dasher does everything you want a car to do, and does it on about 25 miles per gallon. That's why it's the ideal car for today.

Dasher does a powerful 0-50 in only 8.5 seconds. It holds five comfortably. It has front-wheel drive and gives you control you've never felt in any conventional car. It has the amazing Skidbreaker, which prevents most skidding under adverse conditions. It needs maintenance at only 10,000 mile intervals. And it's covered by the Volkswagen Owner's Security Blanket.

Nobody else is even close.
