Moment of Truth . . . WE HAD A GREAT WINTER

The truth is with the "gas scare" facing the whole resort industry this fall, we really didn't know what to expect this past season. Gas was not a problem, the snow fell and fell, reservations came flocking in and best of all, we were ready!

It was indeed pleasant to meet and pamper some of the nicest guests we have ever had. All arrived geared for skiing, fun and relaxation and we dished it out.

By Christmas, the festive holiday atmosphere was moving right along, building up to a New Years Eve to end all Eve's. Skiing was rated an honest excellent nearly every day so by February our famous annual Bavarian Weekend was just plain terrific.

Highlights of Bavarian Weekend turned out to be the "Canoe Races". Can you imagine trying to obtain canoes in the middle of winter? well we did! Now imagine them going down a ski slope with **PEOPLE ABOARD**. Lots of races were held right into the Irish Holiday in March including a bike and banana event in which the winner consumed 11 bananas! Wonder how he's doing.

So my friends, the caption bears repeating. . . We did have a great winter.
