Common Cause to hold meeting

There will be a meeting of all Common Cause members in the 17th congressional district Thursday, June 27 at St. James United Methodist Church.

The meeting is set for 8 p.m. The church hall is at 15888 Archdale at Puritan in Detroit.

Common Cause members said they are putting together a program of citizen involvement in the upcoming election for the district's seat in the U.S. House of Representatives.

The seat is currently held by U.S. Rep. Martha Griffiths who is not running for re-election.

Included in the program is a candidates night and a campaign monitoring project. Both will be discussed at the June 27 meeting.

Common Cause is a non-partisan citizens lobby. There are close to 800 members in the 17th congressional district.

Phi Beta Kappa inducts 3 students

Three Farmington undergraduates at Wayne State University were inducted into the Gamma Chapter of Phi Beta Kappa recently.

They are: Patricia Fancy, 28336 Herndon Wood Drive; Joe Hargrove, 29209 Bartlett and Ronald Goetz, 29215 New Bradford.

Second place winner, Bill Duncan, crosses the finish line.

Lawn mowers roar out

It's not exactly the Indy 500 but the Ramble Hills subdivision "race track" does have its advantages — like free beer in the pit stops.

Then there is the security that comes from knowing that the highest speeds attained will be those which can be reached on a riding lawn mower.

Nine residents of the Ramble Hills subdivision recently competed to see who had the fastest mower in the sub, during the subdivisions first "annual" riding mower race.

The organizer of the race, Gary Caner, presented the trophy to first place winner Ron Fawcett.

Contestants followed a track which led down a couple of subdivision streets, into a school yard, and up a couple of drive ways. They were required to make two stops during the race.

They were required to stop and get off their mowers at each of the pit stops, where they were treated to a beer.

Bill Duncanson was the second place winner in the race, and Ky Welman took third place.

FAAC names new officers

FARMINGTON — New officers for the Farmington Area Advisory Council board of directors were elected at the organization's annual meeting recently. They are: president, John Borbi; vice president, John K. Hooper; treasurer, Myron Liner; and, Earl Baumunk.

Six member-at-large positions were also filled on the FAAC board. New directors elected are: Peter Orlando, Margaret Zelinsky, Susy Wolfrom, and Renee Josephson. Re-elected directors are: John Borbi and Charles Paul.

The event drew many spectators on all sorts of non-motorized vehicles.

Contest chairman Gary Caner presents a trophy to Ron Fawcett, the first place winner.

Herbert graduates

Ronald Herbert, 3312 Fink, of Farmington Hills will be among the 25 students graduating from the Friends School in Detroit on June 4 at Wayne State University.

The commencement speaker was former Detroit Mayor, Jerome P. Cavanagh, who participated in the school's ground-breaking ceremonies in 1969.

This year's graduating class will be the second to graduate from the independent school which is sponsored by the religious society of the Friends (Quakers).

On dean's list

Beth Lonie, 23817 Ridgewood, Farmington, has been named to the dean's list for the winter quarter at Wheaton College in Wheaton, Illinois.

SHOULD YOUR ASPHALT PAVEMENT BE SEALED?

Call us for our professional opinion

RESIDENTIAL COMMERCIAL INDUSTRIAL
 Member Greater Detroit Chamber of Commerce

Most asphalt pavements are destroyed by the natural elements of oxygen, rain, heat, cold, & freezing. An unprotected asphalt surface is also an easy target for the effects of chemicals... salt, gasoline, oil, detergents... and many other ever present enemies. Sealing by ASPHALT PRO-SEAL will protect the surface from these elements. It provides a tough shield over the asphalt surface, keeping harmful elements from attacking the asphalt.

It acts as an effective shield adding years of life to expensive paving surfaces.
