

Low and behold: 30% off on Selig at close-out prices!

\$399

Everything about these sofas is lasting... their Selig fabrics and construction, their classic contemporary design...

Everything, that is, except their quantity...

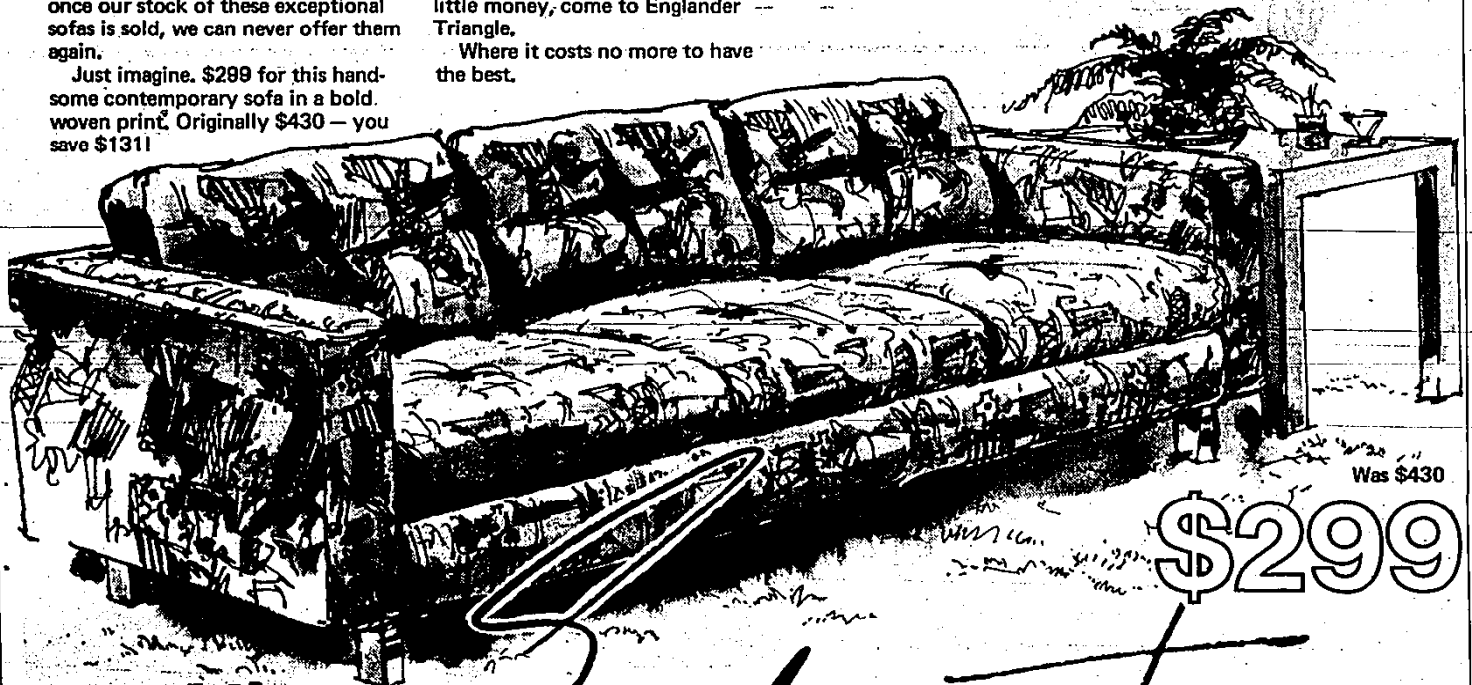

A factory closeout makes these prices possible. But it also means that, once our stock of these exceptional sofas is sold, we can never offer them again.

Just imagine. \$299 for this handsome contemporary sofa in a bold woven print. Originally \$430 — you save \$131!

Or, for the same exceptional savings, this plush low-line sofa in a densely textured off-white Haitian cloth. A fine value at \$575 — it's now just \$399!

So if you don't mind saving a little money, come to Englander Triangle.

Where it costs no more to have the best.
