

We're not afraid of being Cheap

Why should we be? Or you either?
Money is tight right now and the only way
to get ahead is to stretch it as far
as you can. That's why we figure that if the
quality is equal, price will be the deciding
factor in where you buy your next car.
We want to make sure you buy from us.
That's why we always offer a large
inventory at as old fashioned prices
as we can in this day and age.

SLAVING OVER CROPS all summer sometimes pays off by winning the farmer or gardener a blue ribbon at the Fall Festival's Produce Exhibition and Competition sponsored by the Rotary Club. Judging takes place Sunday, Sept. 8, at 1 p.m. in Kellogg Park.
