

U-Turn sale attracts buyers

Definitely a success. That's how associate director Woody Shook felt about U-Turn's garage sale.

"We had a great turnout and although we have not counted up all of the money yet we are calling it a definite success," Shook said. He particularly wanted to thank the more than 50 families who donated items for the sale.

A steady stream of buyers poured over tables of glassware, games, bric-a-brac and lines of used clothing.

Proceeds will be used to finance U-Turn's youth programs. The center is at 2636 Franklin in Bloomfield Township.

CUT YOUR ASPHALT PAVEMENT MAINTENANCE DOLLARS

Protect and Beautify your Asphalt Pavement

Most asphalt pavements are destroyed by the natural elements of oxygen, rain, heat, cold, & freezing. An unprotected asphalt surface is also an easy target for the effects of chemicals... salt, gasoline, oil, detergents... and many other ever present enemies. Sealing by ASPHALT PRO-SEAL will protect the surface from these elements. It provides a tough shield over the asphalt surface, keeping harmful elements from attacking the asphalt. It acts as an effective shield adding years of life to expensive paving surfaces.
