## OU booters keep mark perfect

By BRIAN PERLOVE

The statistics of last weekends games have been entered into the record books and now exist as part of the past. They will out live those who performed in order to put them there. They are markers of time past and present, numbers, names and dates telling slight tales about this or that particular swering the when and where of events. They are signals of a team's age and development.

And so it is that another statis-

teams age and eevelopment.

And so it is that another statistic might be etched into the books for the Oakland University soccer team at the end of the 1974 season. Ten years will have passed since their beginning and their apparent success continues to thrive.

Gunning for the N.C.A.A. tour-

nament in St. Louis this year, the Pioneers have compiled a 7-0-2 record defeating top ranked Central Michigan 5-2 and teing Galvin College 1-1 and Michigan State 0-0.

WORKING UNDER the leaderablip of six year coach John
Motaer, the Pioneers have develinged into one of the top four teams
in Michigan, standing with Calvin
College, Central Michigan and
Michigan State.

The teams founding began during the 1946-69 scholastic year.

veiop an overall athletic program. Because of the cost involved in other sports soccer was chosen because of its relatively low cost.

The team was run for one year by Corey VanFleet, and three years by John Scovil, now Associate Director of Placement at the University.

Scovil was replaced by the Hungarian born Motzer six years ago. Motzer had played for several Detroit teams before coming to Oakland University.

Among those teams were: The Detroit Bavarians, St. Andrews Scots, Sport Club 24 and the Carpathia Kickers who were considered one of the top amatuer teams in Detroit.

THUS FAR, outstanding play has come from senior goalie Dennis Mascilak who has six shutouts in nine games and has allowed only four goals scored against him. Strong defensive play has come from sophomore Andris Richters. Although a defensive center fullback, he has three goals to his credit, two of which came in 1-0 victories over Albian and Kalama-

ALTHOUGH THE University does not have a scholarship program for soccer, it does have an overall athletic scholarship program which enables the team to compete for player personnel with larger Universities. Scouting for new players is done primarily by Motzer, a Utica resident, who has become familiar with High School players and their roaches.

coaches.
Each year four teams through out the country are selected, by a committee, to play in the post season tournament.

"If we're going to make it to the tournament," Landvoy said, "we have to watch out for defeats."

OAKLAND JUST missed the ournament last year with a 11-2-2 record.

In Pioneer soccer action last weekend they defeated Central Michigan 3-2.

Michigan 3-2.

Scoring for the Pioneers were Barry Whiteside in the first period of play and Saleh Khalaf and Barry Whiteside again, in the second half.
