**BRA PROBLEM**  
Miss S's previous bra always rode-up in the back because she had to tighten the straps for uplift, which was only defeating her purpose. When the back of her bra rode up, it let the bust sag.

**PENNYRICH SOLUTION**  
Miss S discerns perfect fit and uplift with the Pennyrich bra. The back stays firm, snug and comfortable, because the patented Pennyrich supports the bust line, not the straps.

## Stewardship program continues at St. John

Richard M. Wittig of Cleveland, Ohio, will continue study sessions, initiating a stewardship emphasis, in St. John Lutheran Church, through Monday. The church is located at 23225 Gill Road, Farmington.

The entire program is oriented around a system of Bible study which involves every member of the congregation.

The Rev. Charles Fox, pastor of the congregation, will preside at the services with a special dialogue sermon prepared by Wittig in conjunction with the stewardship program.

Wittig is a resident counselor on the stewardship staff of the American Lutheran Church.

"The purpose of the program," said Mr. Fox, "is to increase the spiritual vitality of each of the members of St. John through a series of congregational meetings, Bible studies and home visitations."

Other congregations of the American Lutheran Church who have sponsored such programs have experienced a median increase in per capita giving of about 50 percent.
