

An Indigestion Remedy Free

Many people who are otherwise healthy suffer from indigestion, dyspepsia. When you consider that the stomach and allied digestive organs are the most important organs of the body, it would seem that a disorder there is to be taken very seriously.

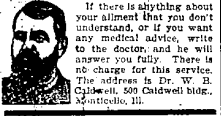

Dyspepsia cannot eat the things they like; food sours in the stomach; then chronic constipation begins, or, in its place, you have been constipated all along, and the stools are forced and irregular.

But there is no use letting indigestion go until it becomes chronic and weakens your health. It is good advice to suggest to you that you go to your druggist and get a bottle of Dr. Caldwell's Syrup Pepsin, the wonderful cure for stomach, liver and bowel troubles. That is what Dr. Fenner, of Carson City, Michigan, had to say. "I know who did it and he is well today. Others who did the same and are cured are Ida A. Ferguson, of Grand Junction, Penn.; E. J. Thompson, of Shenandoah, Ia., who actually considers that it saved his life. You can obtain a 50-cent or 75-cent bottle of the druggist, and, when according to directions, it will probably be all you need. It is a liquid, and never irritates, and besides the laxative effect, contains exceptional tonic properties which tone the stomach and that is what is especially needed in indigestion.

All sufferers from indigestion who have never used Dr. Caldwell's Syrup Pepsin can obtain a free test letter by writing the doctor. It will be sent direct to your home without any charge. In this way thousands have proven to their own satisfaction Dr. Caldwell's Syrup Pepsin is the very remedy they needed to cure their indigestion. When once you use this grand remedy you will throw violent cathartics, tablets, salts, etc., away.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service.

The address is Dr. W. B. Caldwell, 509 Caldwell bldg., Centerville, Ill.

READ WHAT MR. DEVEREAUX SAYS - Romeo, Mich. 7-14-'09

Dr. Rhodes comp my Detroit, Mich.

Gentlemen: When I started treatment with you on the 17th day February last I was nothing more than a living skeleton. I was troubled with Kidney Troubles and Ulcers, caused from Blood Poison, coming back after fifteen years and I had been doctoring with four other doctors for the last five years. The last doctor I took treatment with gave me up, he said there was "no help for me" but a friend of mine came to see me one day and urged me to go and see the Dr. Rhodes company. I was then so weak that I could hardly walk and four blocks to take the car, and I only weighed 125 lbs. After taking two months with you, I gained 20 pounds and now I weigh 145 pounds, the most I ever weighed in my life before and I feel as good as I ever did, and am working every day. I thank you for what you have done for me as you have done just as you claimed to do. If you wish to use this letter as a testimonial, you are welcome to do so, as I wish to see every man cured that is suffering the way I was and from a disease that is counted incurable. Yours Truly, Ed. J. Devereaux, Romeo, Mich.
