**Remember when
 the customer
 was always right?**

He still is at the Argyle Shop. Your needs and desires are our first consideration. Maybe that makes us old-fashioned, but our fashions are the latest in styling and good taste. An excellent example would be our new Spring collection of suits and sport coats by HAM-MONTON PARK, served up with that friendly feeling. Come in and browse around. Make the change-over to Spring the easy way. Ours.

Yes...We're Rushing Spring!

Top off your elegant evenings this spring with a fashionable new fur jacket from Keystone Fine Furs.

We have just returned from our spring buying trip and have a marvelous selection of spring and summer furs.

Choose from a delightful variety of jackets and capes — whether you are looking for a luxurious mink or a fun fur, all priced to meet your budget.
