

Elderly People Helped Free

The last years of life are the sweetest. It is then that the greatest cure is exercised in maintaining bodily health. But the chief care should always be with regard to the food you eat and whether you are digesting it properly. You must not allow yourself to become constipated.

No doubt you have tried many and various pills, purgatives, etc., and have come to the conclusion that they are violent in action and do but temporary good. Later, then, to the voice of experience with regard to a wonderful and mild laxative, Dr. Caldwell's Syrup Pepsin. It is not new, only we are trying to get it to new friends for it.

A. A. Felts, of Johnston City, Ill., suffered from stomach trouble for six years and found his cure in Dr. Caldwell's Syrup Pepsin. His wife uses it too with success. We could name hundreds of others. Some heard of it first through neighbors or friends, others through the doctor's offer to send any sufferer from a stomach, liver or bowel complaint a free sample bottle for trial without charge. If you will send your name and address, we will send you a trial bottle direct to your home. If it proves itself as he claims then continue the treatment by buying a 50-cent or 1-lb. bottle of your druggist, as all of them sell it. Old people, like children, should look for purity, and it is well to mention that the purity of this remedy is vouched for with the U. S. government. Also, though a free bottle is sent to prove its merits, results are always guaranteed. From the bottles bought of druggists, who will refund your money if it does not satisfy you. Send at least for the free trial bottle today.

If there is anything about your ailments that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 360 Caldwell Bldg., Monticello, Ill.

READ WHAT MR. DEVEREAUX SAYS: Romeo, Mich. 7/14/09.
Dr. Knabenshue and Lincoln Beachey, Detroit, Mich.

Dear Gentlemen: When I started treatment with you the 10 day February last, I was nothing more than a living skeleton. I was troubled with Kidney Troubles and Rheumatism caused from blood poison, coming back after fifteen years and I had been doctoring with four other doctors for the last five years. The last doctor I took treatment with gave me up, he said there was "no help for me" but a nurse, and a nurse to see me one day and asked me to go and see the Dr. Knabenshue company. I was then so weak that I could hardly walk four days to take the cure and I only weighed 125 lbs. After taking two months with you, I gained 25 pounds and now I weigh 150 pounds, the most I ever weighed in my life before and I feel as good as I ever did, and am working every day. I thank you for what you have done for me as you have done just as you claimed you would. If you wish to use this as a testimonial, I am welcome to do so, as I wish to be every man cured that is suffering the way I was and from it alone that is counted incalculable. Yours Truly,
E. J. Devereaux, Romeo, Mich.
