For some the prize was money, for others it was glory, fame or high personal honor, but for all of them, it was an epic contest of endurance and raw courage for the bravest men and women of their time.

THE SUMMER TED'S.

A cartoon illustration of a man with curly hair, wearing a swimsuit, holding a corn on the cob. He is standing in water, and there is a small circular inset showing a landscape with trees and a body of water.

The summer Ted's is very much like the winter Ted's, except that he's much cooler. The Summer Ted's is also your logical choice for a night-on-the-town hot spot. Our great cocktails are tall and cool if you want 'em that way. Our nightly entertainment is very, very cool. And the atmosphere in our great Old Town Inn restaurant complex is delightfully cool. About the only uncool thing about Ted's is the great dining you always find. Naturally you'll expect that piping hot.

Tonight. Forget about feeling sticky. Come cool off at Ted's.
