Contest deadline extended for bicentennial slogan

The deadline for entries in the Farmington bicentennial stogan contests has been extended until July 4. Mrs. Harriest Hopson, contest coordinator, hopes additional publicity wthg spur entries. Mrs. Hopson thought of the slogar contest and then sold the idea to the other women in her American Legion Austillary group. "I felt that this was a good way to show more patriotism," she explained. "I really think the younger generation—everyhody— needs to be more patriotics."

ation—everybody—needs to be more patriotic.

Mrs. Hopson distributed 2,800 entry blanks to schools in Farmington and Redford Township. All of the forms were picked up but only 75 entries have been received. Mrs. Hopson expects that figure to increase as a result of increased publicity.

Entries should be sert along with name, address, telephone number and age to the Bierentennial Stogan Contest, Box 552. Farmington, Michigan 6000.

The slogan must be original and should represent the contestant's best description of America's 200th birth-day.
