WARRANTY DISCLOSURE

Manufacturer's 1 year warranty covers the cost of replacement parts and service labor required to correct manufacture defects. The labor is to be performed by a Zenith dealer or a distributor approved by Zenith Service Center. The picture tube is covered for 2 years. Labor to install a replacement tube is covered during the first year only. For warranty service on 17" (diagonal) or smaller screen size models, the set must be taken to a Zenith Service Center and must be picked up by the person.
