

the Japanese bath

A room dedicated to the art of bathing. Pure textures of bamboo, quarry tile and natural woods harmonize with the fixtures Mexican Sand. The use of platforms creates the illusion of sunken bath with built-in seat and Raindrop personal shower. Vanity lavatory is Espresso Brown, while toilet and bidet are Mexican Sand.

the Victorian bath

There is now a renewed interest in the special character of the Victorian period. This hand-decorated Cloverleaf double bath shows the authentic nineteenth century style elegance.

beauty of sculpture

The striking gracefulness of simple shapes--simple in the extreme. These fixtures come in nine exclusive colors...four distinctive shapes....these choices are yours. From this beautifully sculptured line you may create your own concept of bathroom elegance.

We have it all...
