

the exclusive YARD-MAN warranty

the YARD-MAN easy life warranty

We guarantee all parts against defects in material and workmanship for a period of two (2) years from date of purchase when unit is in residential use, 90 days in commercial use.

We agree to repair or replace without charge to the original purchaser any part or parts which upon examination by a Yard-Man authorized dealer are found to be defective within the guarantee period except for the engine which is warranted separately by the manufacturer. The warranty covers all labor charges consequent to the part(s) replacement. All transportation charges for replacement under this guarantee must be paid by the purchaser.

This guarantee does not apply to a unit which has been subjected to misuse, negligence, accidental damage or to a unit which has been altered in any way.

Yard-Man reserves the right to make engineering changes without prior notification or responsibility to the purchaser.

The only two year warranty around.

Yard-Man pioneered quality lawn care equipment with the introduction of the "silent" hand reel mower in 1934.

Now Yard-Man pioneers again with the introduction of the first two-year warranty on clean up equipment. Every Yard-Man product is still produced with the same dedication to hand-built craftsmanship that established Yard-Man as the standard of quality in 1934.

With 41 years of quality leadership it is natural that Yard-Man should lead the industry with another quality first.

The "Two-Year Warranty" another example of the Easy Life with Yard-Man.
